

Goshen Fire Company Annual Subscription and Donation Drive

GENERAL INFORMATION

Goshen Fire Company (GFC) has been serving the community since 1950. We are a nonprofit corporation providing fire, rescue, and emergency ambulance service to East Goshen Township and parts of West Goshen, Westtown, and Willistown Townships. These services, and many more, are provided by a combination of paid staff and dedicated volunteers.

We respond to over 3,600 ambulance, 600 fire and rescue, and 500 fire police calls per year.

Every year we ask our neighbors to become subscribers of the Fire Company. This protects your family and helps us to continue to serve our community.

WHY BECOME A 2019 SUBSCRIBER?

No one ever knows when an emergency will occur in the home, car, or workplace. One thing that you can be certain of is that the Goshen Fire Company will be there to help you or your loved ones in your time of need.

Becoming a subscriber not only supports the Goshen Fire Company, but it could also **save you money if you need emergency ambulance services**. As a subscriber, you will not be responsible for any fees charged by Goshen Fire Company for 911 emergency ambulance services that are not covered by your insurance. Many insurance plans do not cover the full cost of an ambulance transport. This cost starts at \$975.

SUBSCRIPTION TYPES

We offer five levels of Subscriptions:

- Family Plus** \$125 covers all adults and children that reside in a household
- Family** \$100 covers up to 2 adults and all children under 18 in the household
- Individual** \$60 covers 1 adult
- Senior Family** \$85 covers 2 adults in a household (at least 1 adult must be 65+)
- Senior Individual** \$50 covers 1 adult (65+)

IMPORTANT

Please do not delay in becoming a subscriber. Help us to continue to serve our community. 2019 subscriptions begin January 1st or upon receipt of subscription payment, whichever is later.

**ALL SUBSCRIPTIONS EXPIRE
DECEMBER 31ST OF EVERY YEAR.**

CAPITAL FUND DONATION

Please consider making a tax deductible donation to our capital fund. We have a fleet of 16 emergency vehicles which can cost up to one million dollars each. We also must fund building upgrades and maintenance for two stations.
